Website Care Report

Hi UpThink,

Here's your WP Geeks Website Management Report documenting all the website maintenance and optimization work we did last week, as well as all the results of any website performance tests, security scans, and SEO and traffic reports included in your package.

If you have any questions, or if you would like to add more information to your reports such as SEO performance, social media analytics, traffic stats, or even sales conversions, just shoot us a quick email to support@wpgeeks.co and we'll get right on it.

Our job is to make your job easier.

Thank you for choosing WP Geeks!

Warmest regards,
Matt (the Head Geek)
